Hi Don,

By copy of this email I am forwarding your inquiry to Fred who oversees these types of permits in the ROW. Mark Grant usually oversaw this, but in his absence, the field deputies are covering them. Sorry for the delayed response.

I heard that Wells Fargo had applied for City permits to alter the S. Sepulveda sidewalk area of their building at the subject address. I'd like to understand their plan and just want to look at it from a standpoint of our interest in enhancing Westchester as a pedestrian friendly district. Has there been any such application / permit as far as you can tell? The APN would be 4123-001-003.

I'd appreciate any info you can provide.

Thank you.
